Versatile Carpet and Cabin Sole Protector

www.carpetsaver.com

Lightweight, easy to handle and comfortable underfoot

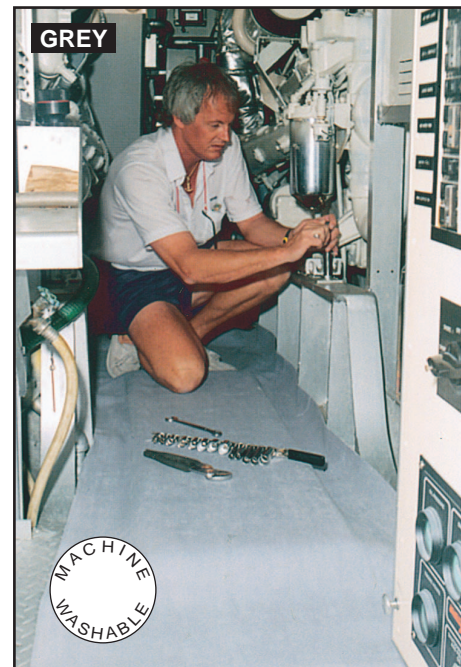

Service Work, Wet Weather, Fishing Or Just Cruising...

Easily Roll Out **CarpetSaver** Anytime Protection Is Needed, Or Leave It Out To Prevent Wear In The Busiest Areas.

- Absorbent
- NON-SKID
- Cuts to fit
- No adhesives, snaps or bindings
- Stows compactly

10 ft x 30" weighs less than 2 lbs.

Available in 30" & 60" Widths
Simply specify length, width and color

Protects Carpet, Teak and Fiberglass

- **CarpetSaver** breathes so it won't trap moisture
- The foam backing provides grip to prevent slips
Not for use on bare stairs
- Line counters, shelves and drawers

Dockside traffic is no longer a worry

At last, you can save your carpets from traffic damage and wet weather without the hassle of stiff, bulky coverings. **CarpetSaver** is made of soft, durable cotton blend foam-backed fabric that grabs debris and water so it won't be tracked throughout the cabin. *Great for home and RV too!*

Conforms To Carpeted Stairs For Sure Footing

Use CarpetSaver Season After Season To Save Cleaning Time & Replacement Costs
